About the Directory and Handbook

This edition of the FHA Directory and Handbook was produced with most of its content copied from data stored as part of the FHA website, www.fearringtonfha.org. Starting with the 2012 edition, programs and techniques used to continually update the website do double duty in ensuring that the information you see in this book is current at the time the document is sent to the printer.

Information in the FHA Directory & Handbook will change throughout the year as the Fearrington community evolves. If you know of updates, please email them to one of the addresses below. These changes will appear immediately on the website and will also be available in next year's Directory and Handbook.

Mailing Information

Ferrington Village

To conform to postal regulations and to assure prompt delivery of our mail, the Post Office asks residents to use one of the following examples (Note: these are examples only; use your own F.P. and/or street number):

JOHN Q. PUBLIC 1400 Fearrington Post Pittsboro, NC 27312	JOHN Q. PUBLIC 17 Crescent Street 1400 Fearrington Post Pittsboro, NC 27312
--	--

The Post Office does not need the street address; however, the street address is useful for other delivery services or for visitors. **If a street address is included, it should be inserted on the second line as shown and not below "Fearrington Post"**. The term 'P.O. or P.O. Box' should not be used, as that is likely to cause mail to go to a box in the Pittsboro Post Office. By using 'Pittsboro' rather than 'Fearrington Village', mail will arrive even if the sender forgets to include the ZIP Code.

Mail Kiosk Locations

There are seven mail kiosks: on Creekwood; in West Camden; on Swim and Croquet Road (near the Gathering Place); at Village Way and Lassiter Lane (Smokehouse); in Whisperwood Close; in Baneberry Close; and at Millcroft and East Camden.

Recycling Guidelines for First Choice Disposal Customers

General Information

First Choice Disposal is our contractor to collect trash and recycling. First Choice's trash and recycling collection day is **Tuesday** except as noted below. Please have trash and recycling containers outside by **7:00 a.m.** on pickup days. Place recycling material apart from trash (e.g., on opposite sides of the driveway) so it will be clear which is which.

The First Choice phone number is 919-542-5398. Their website is <http://firstchoicedisposal.biz/index2.html>.

If roads have snow or ice on them, check the First Choice website for the latest information about collections.

Recycling Guidelines for First Choice Disposal Customers

Recycling Day: **Tuesday**. Please have recycling out by **7:00 a.m.**, and place recycling material apart from trash (e.g., on opposite sides of the driveway) so it will be clear which is which.

For Recyclables: Use a covered plastic bin or trash can, to withstand rain and snow. Otherwise any bin or container may be used. If plastic bags are used they must be clear, not opaque, so the contents are easily seen to be recyclables.

Do not sort recycling materials. Recyclables are sorted by machines and workers at the recycling plant.

All containers and lids should be rinsed so that recycling is not contaminated. By state law, plastic bottles and cardboard cannot be put in landfills; they must be recycled.

- Glass
 - All colors
 - Metal lids allowed
- Plastic
 - All plastic bottles and containers numbered 1-7, including yogurt, margarine, cottage cheese tubs, detergent, shampoo containers, etc. and their lids are allowed.
 - Bottle caps can be recycled, but do not screw them tightly onto the bottles it makes them harder to crush. Either toss the caps into your recycling container (preferred), or put them on the bottle very loosely.
- Paper: Any clean paper that tears: newspaper, office paper, glossy magazines, junk mail (plastic windows and staples allowed), detergent or cereal boxes, pet food bags, telephone books, brown grocery bags, etc.
- Cardboard
 - All cardboard (corrugated and non-corrugated) is allowed.
- Cans
 - Steel and aluminum cans (such as for canned vegetables and beans) and their lids are allowed.
- Clean aluminum foil; gable-top paper juice and dairy cartons

Not Recyclable through First Choice:

- Plastic bags can be recycled at local grocery stores and can be re-used at various thrift stores, e.g., PTA Thrift Shop, Chatham Habitat, Club Nova or the Chatham Marketplace.
- Styrofoam (clean peanuts and bubble wrap can be re-used at Pak-Mail at Cole Park). If not reused, they are trash.
- Ceramics and clay pots: donate or trash.
- Light bulbs: incandescent bulbs are trash; compact fluorescent or LED bulbs are hazardous household waste. See next section.
- Wine corks are collected at Chatham Marketplace, Whole Foods, or St. Thomas More.

Residents Can Also Use Chatham County's Comprehensive Recycling Program

- General Information: 919-542-5516.

Safety Suggestions

We are blessed to be living in a beautiful, pleasant, and generally safe community. Our safety will be improved, however, if we all observe a few common-sense practices and courtesies.

To Report Emergencies (Police, Fire,

Medical)

Emergency Services Police, fire, and ambulance services can all be reached by calling 911. Response has been prompt.

Driving

Observe the 25 MPH speed limit on all Fearrington streets and the 15 MPH speed limit in the Village Center. Speeders rob us of our tranquility and pose a real safety threat. Stop signs mean a full stop, even when other vehicles are not present.

Walking

Instead of the streets, use the walkways where they are available. When walking on the streets, observe the elementary safety rule: Walk on the LEFT side, facing oncoming traffic.

House Numbers

Make sure yours is visible from the street, day and night, so an emergency vehicle can quickly spot it. Make sure a hanging plant or growing shrubbery does not cover it. Contrasting colors are best (e.g., black on white is more visible than brass on yellow or gray on gray.)

Ice and Snow Storms

The snow storm in January 2000 was described as the worst in 100 years, and the ice storm December 2002 was the worst ever. Since repeats are possible any time, some precautions are appropriate:

- Keep a bucket of sand and a bag of rock salt on hand to treat your front steps and walk.
- Recognize that the state, neither Fitch Creations nor FHA, is responsible for clearing or treating Fearrington roads. The state gives priority to clearing main highways first, so patience may be necessary for the state secondary roads in the village. Small neighborhood HOAs (service groups) are responsible for maintaining their own streets and are, therefore, responsible for any winter storm clearing or treatment they may feel is necessary or advisable. In most instances, residents should plan on having limited driving conditions and possibly slippery walking conditions for 12 - 48 hours following relatively rare instances of heavy snow and/or ice; conditions typically improve quickly within that time frame. For emergency medical transportation in such weather, contact 911.

Fallen Trees

If a tree has fallen on a power line, DO NOT TOUCH;

call 911. If it has fallen in the street, and your friends and neighbors can't handle it, call 911 to schedule a state road crew. If a tree has fallen on your property, you must arrange removal with a private contractor.

Burning Brush

Open fires are prohibited at all times.

Dead Animals

Removal of a dead animal from your property is your responsibility. For a fee, First Choice Disposal (919-542-5398) will remove deer that have not started to decompose. For removal of other animals or for other contractors, consult the Chatham Co. phone book under the listing, "Animal Removal Service." Dead animals on a state road right-of-way (such as most of the roads in the village) will be removed by the Department of Transportation, Chatham County Maintenance office at 919-742-3431.

Hiring Domestic Help

When hiring someone to do services in your home:

- Check their references.
- Ask if they are covered by insurance, and ask for proof of coverage.
- Ask if they are bonded, and ask for proof of coverage.
- Resource: For reviews and comparisons of professional background check services, visit this site: <http://background-check-services-review.toptenreviews.com/>
- Resource: How to run a background check for free: <http://www.pcworld.com/article/219593/>

To check for past violations:

- N.C. Health Care Personnel Registry System (requires employee's social security number): https://www.ncnar.org/verify_listings1.jsp
- N.C. Department of Public Safety: Offender Public Information/Offender Search: <http://webapps6.doc.state.nc.us/opi/offendersearch.do?method=view>

Emergency Preparedness Guide

The important point to remember here is that whenever anyone's safety, health or home appears to be in immediate danger, you should immediately call 911. If you should ever have trouble getting through on 911 because of phone problems, try calling 919-542-2811.

In the rare event of an emergency in Ferrington

Village or the surrounding community we strongly advise residents to take the responsibility of being prepared so that they and their families can handle such emergencies in the best way possible. Use this guide to help you be prepared.

Important Resources:

- Chatham County: 297 West Street, Pittsboro, NC, 919-542-2811, 8 a.m. to 5 p.m., Monday-Friday OR <http://www.chathamnc.org/> choose: "Resident Information," then choose "Emergency Contact Guide."
- North Carolina Department of Public Safety - ReadyNC: <http://readync.org/EN/index.html>: Plan. Prepare. Stay Informed. On that site, you can download their free mobile app, which supplies up-to-date information during declared major emergencies.
- FEMA (Federal Emergency Management Agency) North Carolina Disaster Declarations, preparations and assistance before, during, and after a declared disaster: <https://www.fema.gov/states/north-carolina>.

Be Prepared

For related information, see the FHA "FORMS" and Health, Safety, & Security web pages menu tabs on the FHA web site home page. Here are some guidelines and a list of things to do and items to have on hand for emergencies:

1. Create an emergency plan.
2. Keep emergency supplies on hand and in a place that can be easily found.
3. Keep informed.

Create an Emergency Plan

- Evaluate your personal needs and make an emergency plan so you can be better prepared for any situation.
- If family members are not together, determine a communication point and phone number contact where all can gather or call. It is also good to have an out-of-state contact phone number.
- Be sure all family members know where emergency supplies, papers, food and water are kept.
- Get an emergency supply kit.
- Plan in advance for shelter alternatives. Consider loved ones or friends outside of your immediate area who would be willing to host you and your pets in an emergency. If you must evacuate, take your pets with you, if possible. However, if you are going to a public shelter, it is important to understand that animals may not be allowed inside. Only service animals may be allowed, e.g., a seeing-eye dog.
- Be alert to the Chatham County "Code Red" phone call notification system and be sure your

phone number is registered. To verify registration, call 919-545-8163 or access the site at: www.chathamnc.org/codered. Also, download the CODERed Mobile Alert app for your smartphone. In an emergency, the county will send an automatic telephone message to all residents who have their phone numbers registered. It is desirable to include both your land line and cell numbers.

- Be sure your FHA Voluntary Emergency Contact Information Registration Form located in your welcome packet (and also available at the FHA Office) is on file with the FHA.
- We strongly encourage you to provide this information on-line using this secure encrypted form, <https://form.jotform.com/FHAHSS/voluntary-emergency-info-form>, which will allow residents to easily update their own information anytime, especially on an annual cycle. This will help keep the information up-to-date.
- If you filed a paper version, check and also update your information by calling or stopping in at the FHA Hospitality and Service Center in the rear of the Gathering Place (open Monday-Friday 9:00 a.m. to 12:00 p.m., except holidays). Phone number: 919-542-1603.

Homeowners Guide to Covenants Compliance

Because Fearington Village is a planned community there are restrictions regarding what you, as a homeowner, can and cannot do in using, maintaining and/or modifying your house or property. The restrictions are listed in Article V and/or Article IX of the Declaration (the "Covenants"), a copy of which you should have received at your title closing.

All homeowners in Fearington Village are required to be members of the master homeowners' association (the Fearington Homeowners Association). If you live in a neighborhood with significant common areas, such as interior streets, neighborhood parks, or common structures like roofs and garages, you will be also member of an additional homeowners' association (a Service Group), which is responsible for the maintenance of these common areas as well as for the initial enforcement of the covenants. If you live in Phases I-IV, The Woods, and Bush Creek, you are entirely responsible for maintenance of all aspects of your home and property and your responsibility for covenant compliance is to the FHA.

At the present there are a total of 18 phases and service groups within Fearington Village. The Covenants vary somewhat for each phase and service group; as a result, if you are contemplating a renovation or improvement to your property it is essential that you read carefully the Covenants that apply to your neighborhood before proceeding. They are available on the FHA website.

When a new house is built in Fearington Village, the authority for architectural control and covenant enforcement is vested in Fitch Creations, Inc. ("FCI"), which retains authority until it relinquishes all lots in a development or assigns its authority in writing to the FHA or the board of a service group. If your home is in an area which is still controlled by FCI your request for architectural review should be submitted to Laura Morgan 919-545-5710 or laura@fearington.com.

If you live in Phases I-IV, The Woods, or Bush Creek, FCI has transferred authority to the FHA Covenants Concerns Committee. Your application should be submitted first to your Area Covenants Committee. The Area Covenants

Committees can assist you in properly filling out applications and making sure that neighbors have been informed. They will submit your application to the FHA Covenants Concerns Committee for final approval. The current Area Covenants Committees are:

- Phase I -- Bob Roth
- Phase II -- David Drown
- Phase III -- Lowell Kennedy, Robin Balin
- Phase IV -- Pat Harkin, Roger Butler
- The Woods -- David Hilliard, David Hopkins
- Bush Creek -- Jerry Evans, Vince Tollers and Max van Voorst

If you live in a Service Group (Bradford Place at Fearington, Inc., Bush Creek Townhomes, Inc., Camden Park, Inc., Countryhouse Service Group V, Inc., Weathersfield Service Group VI, Inc.), check under the listings for your group to determine the responsible covenants concerns committee.

A request for the approval of modification to a house or property required by the Covenants should be initiated by the submission of a Request for Property Modification Approval form, which is available on the FHA website or at the management office at the Gathering Place. The form should be completed and returned to the FHA Office. If the Covenants Concerns Committee of the FHA or of a service group fails to act on request within 60 days after a completed Request, which may require submission of plans and specifications, has been submitted, then such approval is deemed given. However, if you elect to proceed without written approval, you will still be subject to the standard that "no building or other structure shall be erected which violates any of the restrictive covenants contained in the Declaration and the design shall be in harmony with other structures in the subdivision." It should be noted that the Request form requires the signature of affected neighbors but such signatures are not approvals of the requested action, it is just to let the applicable committees know that neighbors have been informed of a potential change. The approval or disapproval of neighbors will be taken into account by the reviewing committees but are not binding on them.

The following is partial list of Covenants applicable to many phases and a summary description of those Covenants (*the actual language of the Covenants is controlling*):

- Use: Only a single or double family residence with appurtenant garage is

permitted on any lot in Phases I-IV. In all other phases except Bush Creek, only a single-family residence with appurtenant garage is permitted. No lot can be used for any purpose other than for residential purposes and for purposes incidental or accessory thereto; retail trade, business or manufacturing uses are prohibited. By a Supplemental Declaration in Bush Creek, owners of lots 816-840, upon approval by Fitch Creations, Inc. or the FHA Covenants Committee, may construct (1) an apartment within the primary residence or a separate structure ancillary to the primary residence for occupancy by a guest or domestic; (2) an enclosed annex building for use as an office or workplace; or (3) a detached screen porch, gazebo, or pergola. It should be noted that the rental for profit of a portion of a dwelling is not consistent with the Covenants.

- Trees: Removal of any tree measuring six inches or more in diameter (outside bark to outside bark) at four feet above the ground without prior written approval of the FHA Covenants Concerns Committee and/or the applicable Service Group is prohibited.
- Maintenance: Each property owner is required to maintain and preserve his/her property in a clean, orderly, and attractive appearance within the spirit of the phase in which it is located. Property owners in Phases I-IV, The Woods, and Bush Creek are responsible for maintaining the portion of the street right-of-way between their lot and the street pavement. If any owner fails or refuses to keep his/her premises free from weeds, underbrush, or refuse piles or other unsightly growths or objects, then FCI, the FHA Covenants Concern Committee, or the applicable Service Group, may remove the same at the expense of the owner, and those costs can become a lien against the property. This "right-to-cure" does not apply to Phase I.
- Animals: No animals except dogs and cats shall be kept by the owners and occupants, and those pets shall be confined to the owner's/occupant's premises unless on a leash and under supervision. In most phases a fine not exceeding \$25.00 may be assessed for a violation of this provision, however, in some phases the fine can be \$25.00 per day; in Country House it is \$100 per day. Any droppings by a pet being walked off a resident's lot should be promptly removed by the pet owner.
- General Restrictions:
 - In non-service group phases, approval will not be granted for the following:

gaudy outdoor statuary; artificial plants; and any metal or temporary outdoor storage structures.

- In phases with service groups, the following are prohibited: artificial plants; awnings; clothes lines; dog houses; outdoor statuary; outdoor storage structures; screen doors (except for standard approved design) and storm doors; sports equipment including but not limited to basketball backboards; temporary structures; and unlined curtains.
- No horses or mini-bikes are permitted on lots, streets, or on the Common Areas.
- No house trailers, tents, mobile homes or motor homes, or temporary structures of any kind may be placed on any lot.
- No mailboxes or newspaper receptacles shall be placed in the front yards or within the street right-of-ways in front of any house.
- No commercial signs by anyone can be placed on any lot except with the written permission of FCI, the FHA Covenants Control Committee or the applicable Service Group; or as may be required by legal proceedings. Permission will only be granted if it is reasonably necessary to avert serious hardship to the property owner and authority is reserved to restrict size, color and content of signs.
- All garbage cans and trash shall be screened from view from the street or any adjoining lot.
- No junk cars may be abandoned or permitted to remain or be otherwise parked on the lots.
- Flagpoles: Freestanding flagpoles are not permitted; flag poles attached to are home are permitted while attaching flagpoles to trees is discouraged.
 - American flag etiquette: Only waterproof flags should be displayed in the rain; flags displayed after dark need to be lighted; torn or faded flags should be mended or replaced as soon as possible; and flags should never touch the ground. Proper disposal of worn or damaged American flags should be observed - that is, burning or delivery to an organization that provides this service.
- Noxious or offensive activity: Noxious or offensive activity is not permitted upon any property, nor is anything tending to cause embarrassment, discomfort, annoyance, or

nuisance to the neighborhood. No owner is allowed to maintain any plants or animals, or device or thing of any sort whose normal activities or existence is in any way noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of other property owners in the neighborhood.

- Architectural Control: No construction or renovation, wall, fence or other structure shall be commenced, erected or maintained by any owner without first obtaining written approval from the FHA Covenants Committee and/or the applicable Service Group, which approval must be requested by submitting a Request for Property Modification Approval. This requirement applies to any exterior addition to or change or alteration, including repairs and reconstruction required as a result of fire or other casualty. The Request should include plans and specifications that must indicate the nature, kind, shape, height, materials, color and location of what is proposed. Requests for the removal of trees must indicate that the trees to be removed have been marked in such a way the committees can easily identify them. The granting or denial of approval is a matter of judgment as to whether what is proposed is compatible with the neighborhood and Fearington Village overall.
- Enforcement of the covenants and restrictions, if not successfully accomplished by agreement of the parties may result in fines which can become liens against the property and/or other legal remedies in accordance with the North Carolina Planned Community Act.

Tag Sales Policy

The covenants state that, in general, homes can not be used for commercial purposes. However, a tag sale which is conducted pursuant to FHA policy will not be deemed a commercial purpose. For a homeowner or heirs, tag sales are permissible on a one-time basis for the purpose of selling the contents of a home.

A tag sale is permitted for the convenience of the homeowner, not the sales agent conducting the sale, and the sale must comply with the following rules:

1. All sales must be registered in the FHA office. The form can be found on the Fearington website or in the FHA

Hospitality Center and must be signed by both the property owner and the tag sale agent;

2. Neighbors' rights must be respected and observed. All residents within the surrounding neighborhood are to be notified of the impending sale at least one week prior to the day of the sale;
3. Parking arrangements must be adequate and may include, but are not limited to, a parking director or providing a bus if immediate parking facilities are not available. Repair of all torn and rutted road shoulders resultant from sale parking is the responsibility of the homeowner or heir;
4. No signs advertising the sale will be permitted in Fearington.

Newsletter Guidelines

The mission of the Fearington Homeowners Association Newsletter and Calendar is to report news about people and activities in the Village of Fearington, to reflect the flavor of life in our community, to provide a calendar of events, and to disseminate other information of interest and/or importance to all Fearington residents.

The Newsletter welcomes news items from Fearington residents, but in an effort to make the Newsletter as concise, informative, and as local as possible, and to control production costs, the following guidelines have been established:

1. The Newsletter and Calendar will publish news about Fearington-based groups and organizations, Fearington activities and residents, and local non-profit events involving Fearington residents. Only one person from each group shall be designated to relay news to the Newsletter editor.
2. Please send newsletter material by email to editors@fearingtonfha.org **no later than midnight of the 15th of the preceding month. NO submissions will be accepted after the deadline.**
3. Notices of coming events may be included in the Newsletter and Calendar not more than twice - one article in the month prior to the event and one the month of the event.
4. Organizations that have more than one announcement for a single issue of the Newsletter or Calendar should combine the separate items in one submission.
5. Submissions are limited to 150 words for Fearington groups and 100 words for any outside groups or charities, even those involving a Fearington resident as the

contact person, and may be further edited for space requirements. The length of official FHA submissions is not restricted.

6. As a matter of policy, the Newsletter will not accept essays, creative writing, poetry, artwork, re-prints from other publications, Letters to the Editor, obituaries, tributes or personal thank you notices. The Newsletter does not accept commentaries from individuals. The bulletin board on the FHA website is the place for these.
7. If it is necessary to edit submissions because of space limitations, non-Ferrington organizations (which usually have other ways to be publicized) will be the first to be subject to editorial cuts.
8. Organizations in Ferrington that have their own newsletters are encouraged to avoid duplication of news about their events in the Ferrington Newsletter. Such articles will only be accepted if the announcement describes an event open to the entire Ferrington community.
9. Commercial advertising or advocacy articles, for example, on a particular political issue, will not be accepted. The latter include political endorsements and editorial opinions.
10. All Newsletter submissions from FHA Board members and their committees should be signed and routed to the editors through the designated FHA Board member to prevent duplication of material.
11. All editorial decisions are at the discretion of the Newsletter and Calendar editors and the board member responsible for Communications. If you have any questions, please call a Newsletter editor.
12. Because there are so many talented and productive residents of Ferrington Village who often achieve recognition from their peer groups, i.e. artists, craftsmen, etc., the FHA Board has determined that these accomplishments can no longer be published in the monthly newsletter. Space limitations simply do not permit the inclusion of personal achievements. The FHA Bulletin Board, the Ferrington Forum, and the Artist Studios at Ferrington Village are among the websites where this information can be submitted in detail.
13. Publicity/Communications chairpersons are encouraged to email the editors@ferringtonfha.org to introduce themselves and receive style recommendations for their submissions. Submissions should be in Verdana font, and include the day, date, time, place and a contact person.

RULES AND REGULATIONS

Any group or organization based in Ferrington may use the Gathering Place provided that the event is limited to and open to all Ferrington residents. Renters are required to pay the user fee as specified below and sign the Gathering Place rental agreement. If a group uses the Gathering Place on a regular basis (i.e., weekly, monthly or occasionally), they must pay a \$125 security deposit. Established groups are 'grandfathered in' with their previously paid security deposit. The Ferrington Homeowners Association (FHA) shall retain the security deposit until the club or organization no longer uses the Gathering Place.

The fees for using the Gathering Place on a regular basis per use are:

- Large Room: \$20/first two hours, \$5 per each additional hour
- Small Room: \$10/first two hours; \$3 per each additional hour
- Kitchen: \$15 for five hours or less, \$20 for more than five hours

Special Rentals:

- Private Party: \$285
- Exhibition: \$140
- Memorial Service: \$60
(Includes kitchen use)

A meeting with light refreshments such as coffee, punch and cookies with minimal use of the kitchen and accompanying an organizational meeting is charged only the hourly room rate.

A meeting with a sit-down dinner is charged a kitchen fee. When substantial food beyond light refreshments accompanies a meeting a kitchen charge applies.

Organizations that rent the Gathering Place more than 40 times in a calendar year will receive a 10% discount.

The use of the Gathering Place for any residents exploring the formation of a club is free for two sessions.

Definitions:

Private Party:

A one-time event given by a resident or group that does not routinely meet in the Gathering Place. In addition to the \$285 rental fee a separate \$125 security deposit check is required. The security deposit will be returned or torn up (upon your agreement) if the Gathering Place has incurred no damage and has been returned in clean condition.

Exhibition:

A reception for an art or craft exhibit that is open to Ferrington residents.

Under special conditions the Gathering Place may be used by the FHA for fundraising purposes on behalf of the Gathering Place.

Invitations may not be issued to the general public (nonresidents of Ferrington) to a meeting or function at the Gathering Place. Invitations include those made in the media or extended by any means to the public beyond Ferrington. Issuance of public invitations shall be grounds for cancellation of the rental agreement, forfeiture of the paid user fee and forfeiture of the right to use the Gathering Place for as long as deemed appropriate by the FHA.

For Outside Caterers (non-Ferrington) the security deposit is \$250, to be paid by the Ferrington resident reserving the space, and is required in addition to rental fees. Outside caterers and/or the Ferrington resident reserving the space are expected to return the used space to the conventional arrangement as shown in the photographs in the kitchen folder.

The security deposit will be returned if the Gathering Place has incurred no damage, is returned in clean condition and rooms are returned to their conventional arrangement.

Exceptions to these rules are:

1. The Gathering Place may be used as a polling place. Political signs for candidates on the ballot may be placed at the entry driveway on Election Day only and shall be removed after the polls close.
2. The Gathering Place may be used for support groups (sponsored and under the auspices of the Ferrington Cares organization) by residents and invited non-resident guests.
3. For a Memorial Service or Private Party when a Ferrington resident includes guests from outside Ferrington Village.
4. A houseguest or relative visiting a Ferrington resident may attend events on a limited basis.

The Gathering Place may **NOT** be used for the following:

1. By organizations outside Ferrington even though some of the members are residents of Ferrington. This includes but is not limited to businesses, groups, clubs or organizations that are commercial, charitable, political or religious in nature.
2. The Gathering Place may NOT be used for commercial or profit-making purpose. Selling products, services, or advertising a business is prohibited.

The FHA Board must approve each and every exception to this regulation.

Conduct within the Gathering Place:

1. Excessive noise or any acts that unreasonably interfere with the rights, safety, comfort or convenience of other residents in the community shall be avoided.
2. The use of alcoholic beverages must be in accordance with state and local laws. Compliance is the sole responsibility of the person or organization sponsoring the event and responsibility is acknowledged by signing the Gathering Place form, "**Serving of Alcoholic Beverages.**"
3. Groups including persons less than 21 years of age must be supervised by two adults for each ten (10) persons under 21.
4. Candles must be on a secure non-flammable base with the flame protected by a glass hurricane, glass votive holder or other similar cover.
5. Smoking is not permitted in the Gathering Place.
6. No animals other than service dogs are permitted in the building. Visible certification is required on all service dogs.

Area and Block Contacts

The Area and Block Contacts system is a way for FHA to provide services to residents. Each Area or Phase, has an Area Contact, and within each Area, each street or (usually contiguous) set of residences has a Block Contact. The Area and Block Contacts are responsible for delivering the print-edition monthly FHA Newsletter and the annual FHA Directory and Handbook to residents who choose to receive them. Also, the Contacts identify new residents and provide them with the Newcomers Packet, a bundle of useful information for new residents. Find your Area and Block Contacts below, and let them know you appreciate their all-volunteer services!
